THE ODD COUPLE

Buddy Day is a unique tradition at Bishop Fenwick that both seniors and their freshmen buddies will always remember. It is a day for Mass, games, for helping make the freshmen class feel welcome, and most of all it is a chance to make a new friend.

This year's Buddy Day began with the traditional Mass held outside in the bleachers. The Mass was celebrated by the new school chaplain, Father John Sutton. After Mass, the festivities started with lunch. Seniors and their buddies then competed in several activities; softball, soccer, volleyball, limbo, and peanut races.

Throughout the afternoon freshmen and their senior buddies were able to bond, relax, talk, and have a lot of fun. Buddy Day will always be remembered and treasured by the seniors and freshmen.

— Jen Scola

The itty bitsy spider
climbed up the water spout.
Down came the rain
and washed the spider out.
Out came the sun
and dried up all the rain.
And the itty bitsy spider
climbed up the spout again.

Half an hour later we packed up
our things.
We said we'd send letters and all of
those things.

They knew we were lying, but they
smiled just the same.
It seemed they'd already forgotten
we'd come.

— T.W.S.

Out of the night that covers me
Black as the pit from pole to pole
I thank whatever gods may be
For my unconquerable soul.
In the fell clutch of circumstance
I have not winced nor cried aloud
Under the bludgeonings of chance
My head is bloody but unbowed.
Beyond this place of wroth and
tears
Looms but the horror of the shade
And yet the menace of the years
Finds and shall find me unafraid.
It matters not how straight the gate
Or how charged with punishments
the scroll
I am the master of my fate
I am the captain of my soul.
— William Ernest Henley

Kristen Albanese

As I'm looking back in time
My heart was young and the world
was mine
Driven by desires blind
I remember someone told me as
the years roll by
Remember one thing, the one thing
People come and people go
The way the winds of fortune blow
So hard to find that heart of gold
I remember someone told me
When you find it don't let go.
— Unknown
To Be Continued: To be the best that I
can be and to keep in memory the
many friendships I have shared
throughout my four years. Also to
thank Mom and Dad and Janine for

There is only one basic human right,

Christy, and of course Ryan —
("birds"), I love all of you. Good luck to
everyone and I'll miss you.

Renee Amara

two paths, I know I must choose one

Don't remember where I was. I realized life was a game, the more seriously I took things, the harder the rules became. I had no idea what it'd cost. My life passed before my eyes. I found out how little I accomplished all my plans denied. So as you read this know, my friends. I'd love to stay with you all, please smile when you think of me. My body's gone, that's all. To everyone, to all my friends, I love you and I must leave. These are the last words I'll ever speak and they'll set me free. If my heart was still alive I know it would surely break and my memories left with you. There's nothing more to say, moving on is a simple thing. What it leaves behind is hard. You know the sleeping, feel no more pain. And the living left so scared.

Every time that I look in the mirror, all these lines on my face gettin' clearer. The past is gone; it went by like dust to dawn. Isn't that the way, everybody's got their dues in life to pay? I know nobody knows where it comes and where it goes. I know it's everybody's sin; you got to lose to know how to win. Half my life's books written pages lived and learned from fools and from sages, from fools and from sages. You know it's true, all these things come back to you. Sing with me, sing for the years, sing for the laughter, n' sing for the tears. Sing with me if it's just for today.

With friends like these there's no need to hurry or care it seems
They know everything hand on heart, they see how you should feel

They have only one dream, only one way with only one vision
With friends like these, caution in the way the world is turning
I want to know will they ever, ever see all they show,
There's another way the mind is working, no right or wrong
They never walk alone, how lucky are the few who know where they belong

I think we are here to wonder, myself.
To wonder. To ask. And that in

Whatsoever I've feared has come to life

Whatsoever I've fought off became my life.

Just when every day seemed to greet me with a smile

Sunspots have faded and now I'm doing time cause I fell on

Black Days Whomsoever I've cured

I've sickened now

Whomsoever I've cradled I've put

you down

I'm a searchlight soul they sky but I

can't see it in the night, I'm only

faking when I get it right

So what you wanted to see good

has made you blind and what

you wanted to be yours has

made it mine

So don't you lock up something

that you wanted to see fly

hands are for shaking

I sure don't mind a change but I fell

on black days

How would I know that this could

be my fate.

Danger, I've been told to expect it
I begin my descent down the cold
granite steps
And who could have turned
among those I confide in?
I think that I know what I haven't
known yet
'Cause a week is a month and an
hour and a day
When your reaching just pushes it
further away
And what's the return on the faith
I've provided
I think that I know now but I
haven't decided.

Even if I cared to try I couldn't
please them.
Their petty complaints, stupid

fret, just push it away
And say I'm like the wind, relentless
and irritating
A position that I think worth stating.

You tell me there's no darkness
While the sun shines down on you
And just because your life is
peaceful
There's no fighting left to do
For every cup that runneth over
Many more are filled with pain
You talk to me of sunshine
When it's pouring down with rain.

Just because you can't see it
Doesn't mean it isn't there
Just because it can't touch you
Doesn't mean you shouldn't care
For every life that's lit with love
Many more are racked with pain
You talk to me of sunshine
When it's pouring down with rain.

Santa Claus Is Coming To Town

Each year a group of Fenwick seniors is given the chance to spend some time with young children at the St. Charles Orphanage in Rochester, New Hampshire. The event is known as Operation Charlie.

Only a short time after the seniors arrived, they became friends with the youngsters. The two groups played games outside in the snow. The activity most enjoyed by everyone was sled races. Soon it was time to eat. The cold cut sandwiches and numerous desserts were eaten quickly so everyone could go back to playing together.

Of course no Operation Charlie would be complete without a visit from Santa himself, who was accompanied by several elves. After the presents were distributed, the excited children had fun playing with their new toys and new friends.

Unfortunately the day had to come to an end. The students and children were sad when it was time to go, but they knew that this day would be remembered for a long time to come.

Star Search

Gweneth Callahan

Gwen Callahan has been swimming since she was just a little girl. She began competing at the age of six for the Cape Ann Y.M.C.A. She has been captain of that team since her junior year in high school. For the past five years she has been on the Cape Ann Y.M.C.A. Long Course National Team which competes in Nashville, Tennessee. She was on the Cape Ann Y.M.C.A. Short Course National Team last year which competed at the International Swimming Hall of Fame in Fort Lauderdale, Florida.

Gwen is also a member of the Bishop Fenwick swim team, of which she has been captain for the last two years. Each year since she began her high school career she has placed in the top six in the 500 freestyle in the Catholic Conference. She has also been in the top eight in the state for both the 200 and 500 freestyle for the last four years. She has been named to the Catholic Conference, Salem Evening News, and Lynn Item all-star teams. Gwen wants to continue swimming in college and hopes to attend Fordham University on a swimming scholarship.

— Tara Catanzano

Erin Girard

Erin Girard is well known for her talent in sports. She is a member of a varsity sports team for each of the three seasons of the year. But she is not just good in athletics; she is also a member of the National Honor Society.

Erin has been on the varsity field hockey team for two years. She is so skilled that she has the ability to play either the right wing or midfield positions. Her team was league champs this year and made it to the Division I North finals.

During the winter season Erin is a three year veteran of the winter track team. She competes in the 45 yard hurdles, the high jump, and the mile relay. She was a competitor in each of these three events. Since she began running winter track she has been named team MVP, DCL all-star, and Salem Evening News all-star.

No year would be complete for Erin without a third season of sports. She has been a member of the spring track team since her freshman year. She competes in the 110 and 330 hurdles, the high jump, the triple jump, and the mile relay. Again she was a competitor in each of her five events. For her participation in this sport Erin has been named Catholic Central league all-star, Salem Evening News all-star, Lynn Item all-star, and team MVP.

This year Erin broke the school record in the high jump, which is now 5'2". She also holds school records in the winter and spring shuttle hurdles. She wants to continue running in college and would like to attend either Boston College or the University of Vermont.

William Long

When his friends describe him they say that Billy Long is always happy and always smiling. Despite the fact that he has cerebral palsy he never lets anything get him down. This past year there was an article about him in the Lynn Item because of all of his activities. He participates in three seasons of sports and has held a job at the Weathervane Restaurant since last July.

Billy does not leave any season free. During the fall he plays guard for the football team. This year he received the Coach's Award. In the winter he competes for the ski team of which he has belonged for the past three years. Finally in the spring he plays right field for the baseball team. He continues to be busy through the summer. Last year he worked as a camp councilor at Camp Kiwanis. Billy took care of and was responsible for three children between the ages of two and five each day.

Next year Billy will attend New Hampshire College where he would like to major in sports management. Whatever he decides to do his determination, dedication, hard work, and positive attitude will undoubtedly follow him through college.

— Tara Catanzano

Elizabeth Feldman

One could say that Elizabeth Feldman is a busy person, but that would be an understatement. With all of her interests and activities it is incredible that she is able to do so well academically in school. But she makes time to do everything she cares about.

It is not surprising that Liz is able to play for a sports team each season. For the past three years she has spent her fall on the varsity field hockey team. She plays the starting position back and was an asset to the team, which was undefeated in their league this year. During the winter Liz runs indoor track and is captain of the team. She qualified to run in states, received the most improved award, and was a member of the team which set the school distance medley relay record. Finally she is on the spring track team. Last year she won the MIAA sportsmanship award. Outside of school Liz loves horseback riding. She has been riding for ten years, and has worked at a barn for the last two summers.

Liz is not only interested in athletics. She is currently president of the National Honor Society, for which she has organized tutoring for students, trips to Catholic Charities, and biweekly newsletters. She is also the treasurer of the drama club, and has had minor roles in each of the past three musicals.

It is because of all this work that she has received many awards. Last year she got the Dartmouth Book Award and was a commended student for the National Merit Scholarship. She won an IFLA Spanish award in her junior year as well as the advanced placement calculus award. Liz was commended for scoring a three or higher on three advanced placement tests.

Liz is not sure where she will attend college, but she would like to major in either science or math. There is no doubt that she will be successful in whatever she does.

— Tara Catanzano

Jennifer Murphy

Most people know that Jennifer Murphy is a talented artist. But what they may not know is that she has many other hobbies and abilities. She is also involved in numerous out of school groups.

Jen says that she has "always loved to draw." She started doodling in class in grammar school and then went on to formal classes at the Montserrat College of Art. It was when she entered high school that she began to take art more seriously. In her sophomore year she won the silver key and the gold key in her junior year at the Boston Globe Scholastic Art Awards.

Synchronized swimming is another unique activity which Jen participates in. She has been taking lessons for eight years at the Beverly YMCA. Last year her team, of which she is co-captain, went to the Bay State Games. This year they will be performing in a show in June.

Jen is also a member of many clubs and organizations. She belongs to the Leader's Club of the Beverly YMCA, the core group of the CYO at St. Mary's Church, the National Honor Society, and the tennis team at Fenwick. She works as a life-guard and preschool swim instructor during the summer and currently volunteers at the Beverly Hospital. Last year Jen was honored with the College of New Rochelle Book Award, and in 1993 she was named "Youth of the Year" by the Beverly YMCA.

In college Jen wants to major in computer science, minor in art, and go to graduate school to study computer aided programming. Whatever she decides to do her creative talents will surely aid her.

— Tara Catanzano

Erin Ackerman

Erin Ackerman is not only an active participant in school activities, but she also does something extraordinary out of school. She is the coach of the Essex County team for the regional Special Olympics, which is run by the Danvers Lyons. Five years ago she began volunteering for the town of Danvers Recreation Department. Since then she has begun to coach her own Special Olympics team, which practices every winter from the winter to the spring. In the spring she helps prepare the team for the Special Olympics. She trains the kids for track and field events, and is a hugger at the end of the finish line. Erin says that for them just completing the race is winning. During the summer she works at a special needs camp. She takes the kids hiking, plays games, and takes them on beach trips and museum visits. But she says her favorite aspect is leading sing-alongs.

Erin is also busy with school related activities. She has been a member of the drama club for four years and last year she received the producer's award. This year she has the lead in the spring musical "Guys and Dolls". She is also a four year veteran of the varsity swim team, a member of the National Honor Society, a Eucharistic Minister, and a singer in the Concert Choir.

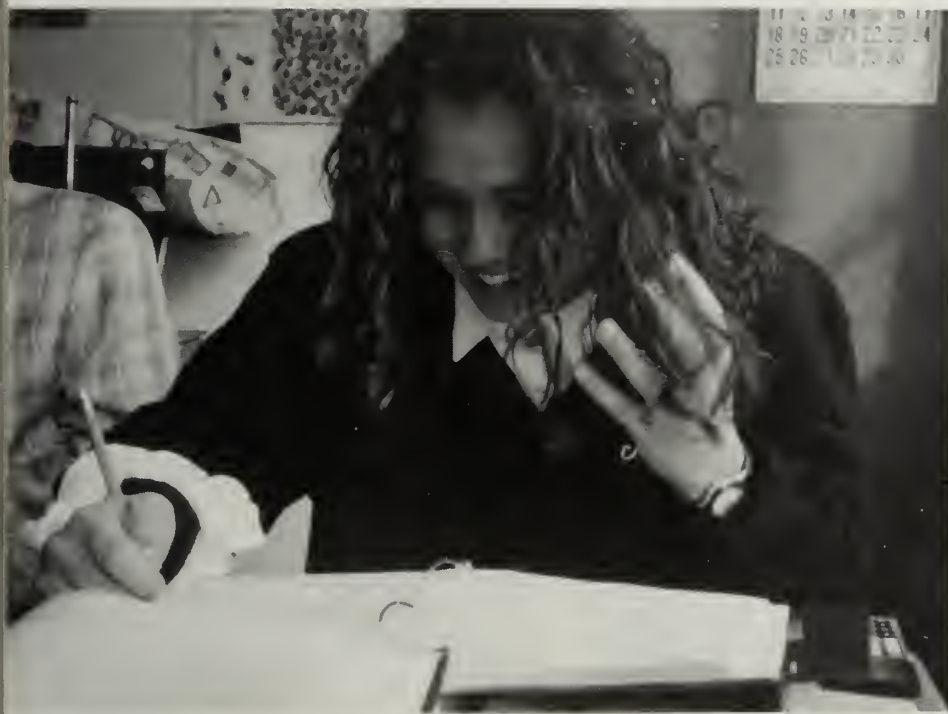

The motto of the Special Olympics is, "If I can not win, let me succeed in trying." Erin exemplifies this statement because she is not afraid to try anything and whatever she does she puts her whole heart in it.

Crusader Comedy Central

As you tune in to the Fenwick Television Network, you'll notice that the Senior class is about ready to go off the air. While the Seniors have put on a hit show during their time here, it's now time to shift your attention to a different network — Crusader Comedy Central. This network has been so named because of the huge amount of "Crusader-like" support the underclassmen have given the seniors. The "comedy" part comes from anyone who has looked at the Freshmen class and remembered when they, too, were new to the Fenwick community.

Freshmen, sophomores, and juniors . . . one day all of these classes will be the senior class. But for now, each of these pages in Crusader Comedy Central is dedicated to recording and capturing forever the faces and friendships of each and every underclassmen that makes Fenwick the special place that it is.

Fenwick Discovery Channel

Behind every great television network there is a producer who puts in long hours to insure the best for his stations; at Fenwick the faculty and staff do the same for their students. At all the networks the producers make sure that there are channels that interest all of their viewers. A wide variety of courses are offered at Fenwick so that each student can take the classes that they are interested in. Without the producer there is no way a network could be successful; likewise, no Fenwick student could be a success without the help of the faculty and staff.

Who's the Boss?

Mr. Ralph LeDuc's name has been synonymous with life at Bishop Fenwick since 1962. During the past thirty two years he has experienced Fenwick from many perspectives; as coach, teacher, athletic director, vice principal, and for the past twenty one years as principal. The devotion and dedication he has brought to each of these positions has made him the respected leader he is today. Under his guidance, Bishop Fenwick will continue to grow and prosper. The lessons of loyalty and caring that Mr. LeDuc has taught us by example will stay with us beyond our years at Fenwick.

— Shannon Coombs

Mr. Ralph LeDuc
Principal

Sr. Geraldine Burns, SND
Vice-Principal

Over the past twenty one years, Sr. Geraldine has become an important part of daily life at Bishop Fenwick. Previous to her present position as vice-principal, she has been both a teacher and coach here. Sister's most visible job to the student body is the distribution of the infamous "pink slip". However, her duties and responsibilities reach far beyond that task, and her expertise helps keep Fenwick running smoothly. Sr. Geraldine encourages us all to take pride in our Fenwick educations and to work to reach our goals both academically and athletically. She is an influential leader of the "Fenwick Family" and her impact is felt in the hallways today and will be with us when we leave.

Guiding Light

The guidance department provides invaluable service to the students of Bishop Fenwick. Whether courses are being chosen, colleges decided upon, or problems being worked out, the guidance counselors are always available and helpful in every way. Guidance slips are always welcome, not only to get out of class, but because each counselor is always smiling and happy to see you.

Under the leadership of Sister Georgia Kitt, the department works with the students. Mr. Saco assists the freshmen in adjusting to the environment of Fenwick, while Sister Marie Emmanuel Mahoney, SND, readies the sophomores for their academic pursuits. Mrs. Constance Skahan and Mr. John Jaworski prepare juniors for the SAT's and seniors for the serious decisions concerning college. Supported by the other guidance staff, guidance is a warm, fuzzy Fenwick sweater that is always within reach when it's cold outside.

Religion . . . before we came to Fenwick the image that this word created was one of churches and crosses. After completing the required four years of religion our understanding of this word is much deeper. The study of religion begins freshman year with an intensive examination of the Bible. Sophomore year is broken down into two semester courses, church history and the seven sacraments. Beginning with junior year students start to examine the influence of religion on their everyday lives. Social Justice and Catholic Morality are the topics of the third year study. For senior year the students are required to take a semester course entitled Marriage and Lifestyles, for the other semester seniors chose between Theology of Death, Apostolic Ministry, and Proclaiming the Good News. By the time they graduate from Fenwick all students have had a comprehensive religious education that broadens their understanding of religion and how it affects their lives.

Shakespeare — The Animated Tales

Describe the use of symbolism in Nathaniel Hawthorne's *The Scarlet Letter*. Who are the antagonists in *The Lord of the Flies*? Analyze how punctuation alters the direction of the poem "The Bull" by William Carlos Williams. What is the meaning of the word "sousacide"?

All these questions and more are posed to the students in the English classes at Fenwick. Students are required to take four years of English during which everything from grammar to iambic pentameter is discussed. Literature is explicated to the point of numbness and glazed eyes; yet this sometimes tedious process is important. Students learn valuable analytical and writing skills and at the same time acquire comprehension skills and at the same time acquire an apprehension of great literature.

Led by department head Mr. Robert Sousa, the English department plays a vital role in the education and development of every student. Without the dedication of the english teachers, students would not be as articulate and therefore be unable to voice their opinions.

To say that Social Studies is a big part of Bishop Fenwick is an understatement. Headed by the infamous Mr. K, formally Mr. Edward Kawczynski, the entire Social Studies Department plays an important role in each student's education, beginning with European Culture freshmen year, where students discover the "manly man" behind the Roman Empire as well as Alexander the Great, the Phoenicians, the enlightenment and years more. Students may also choose to take Asian-African Studies sophomore year, a class one would not forget. From the first Allah to the last Kow-tow, it's just you and the Kami. This class gives each student more than just information, it makes them form their own conclusions about particular events in the past and the present. Junior year every student must take U.S. History, hence, it is a year of this country's past, even before it was the United States. The year begins with time itself and travels to the present day. Psychology and Government Studies are two of the many courses offered to seniors. While one class offers exploration into the mind and soul, the other battles the constant struggle of propaganda. Each course has a different quality that contributes to the students' four years at Fenwick, and teachers lessons that will be with all the students for a lifetime to come.

A Different Word

In an ever changing world speaking a foreign language is a great asset. Here at Fenwick students learn to speak either Spanish or French. Beginning with an introduction to the culture and language freshman year, students are required to take two years of a foreign language; although many students elect to continue their study of the language. Most students have completed a fourth year or AP class by the time they graduate.

Headed by Ms. Diane Colozzi, the foreign language department is a part of every Fenwick students education.

Math is one of the subjects taught at Fenwick that is useful in the "real world". Math students learn everything from checkbook balancing to how much sales tax they pay when purchasing a sixteen dollar CD.

Students at Fenwick are required to take three years of math. These three years generally include Algebra One, Geometry, and Algebra Two. Most students continue their math studies a fourth year. For their fourth year students can elect to take Pre-Calculus, Math Topics, Consumer Math, or AP Calculus.

Headed by Ms. Marianne Russo, the math department at Fenwick is one which all students become familiar with.

Masterpiece Theater

Not every student at Fenwick is involved in the Fine Arts department, but the work of those who are is always visible. Art students display their various projects around the school and in the Art Show, while the chorus, Chorale, and Concert Choir perform at the Christmas and Spring concerts and at masses.

Not all people consider art and music to be "real" subjects. Any student who has struggled to stay up late on more than one night to finish his/her assignment will quickly disagree, as will any musician or singer who has regularly practices extra hours to perfect his or her performance. What makes these classes different is that they are not so much about the grade that the teacher has given as they are about the way the student's work is judged by others.

The students involved in the Fine Arts department certainly deserve the school's appreciation — without their imagination and creativity Bishop Fenwick would not be the same place.

All students at Bishop Fenwick are required to take physical education both Freshman and Sophomore years. During this time, the students are introduced to a wide variety of sports, including archery, field hockey, basketball, and softball. Freshman year, the students participate in the President's Physical Fitness test, as well as studying health and the effects of substance abuse. Sophomore year, the students take part in Project Adventure, which builds self-confidence and a sense of class unity. During both years, students are trained in CPR techniques, an activity which makes students more aware of their ability and responsibility to help others.

The National Honor Society

The National Honor Society is composed of those outstanding students at Fenwick who have attained a GPA of 3.70 or higher. This group, selected on the basis of scholarship, leadership, service, and character, devotes time to the improvement of Fenwick and the surrounding community. Activities of the past school year included serving refreshments at parents' nights and concerts, cleaning the library, and spending time with young children at a day-care center in Peabody. Further, each student is required to tutor assigned students throughout the year.

All members of the National Honor Society strive to uphold those qualities that are expected of them. Under the leadership of President Elizabeth Feldman, Vice-President Christopher Lang, Secretary Christina O'Keefe, Treasurer Rebecca Waggett, and faculty advisor Sr. Judith Nee, SND, each student has met these expectations and at times gone beyond. The hard work and good academic standing of all the students make them deserving of their membership in the National Honor Society.

St. Elsewhere

Fenwick offers many trips to its students, in April 1995, trips are offered to London/Paris, Greece, and Spain.

During this Christmas vacation, Mr. K took 19 Fenwick students, (17 girls and 2 guys) to explore the mysteries of Yucatan, Mexico. Dec. 27, 1994 the group started their journey from Logan Airport at 7:00 a.m., and at 9:00 p.m. reached their destination, where they met up a hilarious group of girls from New Jersey. At the tranquil town of Valladolid they spent the night, enjoying the local color. The next stop is Cenote X-Keken, where the curious group experienced the coolness of the subterranean river (think Goonies). Merida, a busy city that never sleeps, is where the group resided for three days, touring the ancient Mayan cities of Chichen-Itza, Uxmal, climbing the 365 steps of the pyramids and admiring the architecture of Merida itself by day. Stunning light shows as well as the thrill of bargaining with the local venders are highlights of the night. Bargaining, a nightly affair (El Gran Mercado) the main market, was not your average Shaw's, after adjusting to the wonderful aroma, students swindled for anything from sandals to blankets usually using the typical "I'm a poor student" line; it worked every time. Before the trip progresses to its final climax, the group first visited a small village. It was easy to see how poor the people were, but no matter how little money they had their pride was evident. The group dined at Progreso Beach for the exquisite seafood, then swam in the tropic waters of Tulum, at the gulf of Mexico with Mayan ruins in the background before they arrived at Cancun on new year's eve. By that time the group was ready for civilization and The Big Night Out! Each day was spent on the blue water beaches of the Caribbean sea, whether it's snorkeling, listening to local musicians playing guitar or just tanning, everyone had a great time from dawn to dusk. It's strange how attached one can get to a place only being there for one week, it was hard leaving new friends behind, keeping only memories.

Since the beginning of time mankind has been a group of competitors. Slowly, this competition evolved into what we know today as sports. Over time sports have grown in popularity and diversity. It is no wonder that when the television was invented sports events were some of the first things covered on the air. Sports coverage has become the most widely watched television programming. Because of the convenience of the television, more and more people are able to tune into the sports world.

Today, sports are as popular as ever. This is evident in the success of the Fenwick athletic program. From football to tennis, there are nineteen Varsity sports and many Junior Varsity and Freshman teams. More people participate in sports than in any other activity at Fenwick. Thanks to Athletic Director Mr. James McHugh and the many dedicated coaches, Fenwick students are able to do more than watch sports on television.

American Gladiators

Despite a dismal 2-8 campaign, the 1994 gridiron Crusaders found many bright spots to build upon. Such bright spots included gold helmet winner Arthur Koudanis, Thanksgiving Day MVP Jim Grocki, and an undefeated JV team. The team was led by co-captains Mfike Mercier, Rick Martineau, Chris Woodbury, and Patt Donnelly. Seniors Tony Brogna, Billy Long, Scott Ryan, Graham Spates, Bob Mitchell, Bill Aldred, Bob Brigante, Joe Bono, Luis Camona, Scott Rehal, Gabe Mahoney, Nick Walsh, Mike Caprio, Dan Moguaro, Greg Gorman, and Tim Parsons also led the effort. Mike Mercier, Rick Martineau, and Bill Aldred also represented Fenwick on the CCL All-Star Team. With a successful crop of JV's ready to fill the holes, as well as co-captains Arthur Koudanis, Paul Morais, Matt Lynch, and Bryan Reilly, the 1995 squad look ready to give opponents a run for their money.

Is cheerleading a sport? This is a question that is often disputed, but if you've ever seen the varsity football cheering squad practice or perform, I think you'd agree that it is.

This fall, the squad was led by senior co-captains Renee Brockgrieten and Maureen Nowlan. Under the direction of new head coach Mrs. Connie Varoudakis and Fenwick alumna/assistant coach Ms. Karen Jodoin, the team completed yet another successful season. From qualifying for nationals to defending their title as first runners-up in the state competition, the girls exerted great physical as well as emotional efforts and dedication. A cheerleaders primary responsibility is to support the team. This was evident not only at the football games, but also in their promotion of school spirit.

The season had a rocky start with only five previous members of the squad returning, as well as a plague of injuries. Despite this, the members were able to unite and experience much success. A strong nucleus of the team will still be present next year, excluding seniors Renee Brockgrieten, Elaine Keith, Elyse Keith, Kathy Mainero, and Maureen Nowlan. Each girl on the squad has put forth her best effort. This along with their dedication will ensure many more rewarding seasons.

Great Performances

The Bishop Fenwick Varsity Field Hockey Team finished off another successful season in 1994. The team once again captured the Greater Boston League Championship for the seventh year in a row by having an undefeated regular season record of 16-0-2. The girls went on to achieve victories in the state tournament over Everett, Lexington and Methuen bringing them all the way to the Division 1 North finals. The team had an amazing season led by Captains Lyn DiFlumeri and Kristi Lyman along with eleven other seniors. Both Lyman and DiFlumeri were named to the Boston Globe Best of 60 Team for their excellent play. The seniors showed great leadership and sportsmanship throughout the season. Those joining Lyn on the forward line were Jen O'bear, Erin Girard, Carolyn Ragone, and Marianne Maguire. The offense proved to be a strong scoring power which was aided by the quickness and support of the midfielders who included Lyman and Jenna Neale. The defense was bolstered by Krissi Diachisin, Amy Blais, Elizabeth Feldman, Meghan Warde and Danielle Poulin who together prevented many goals by getting the ball out of the Fenwick end. Goalie Jen Linehan added numerous shutouts to her record with her third year on the Varsity Team. The team who was coached by Nancy Usalis for the third year also produced five league all-stars. The 1994 Fenwick Field Hockey season was surely one to be proud of.

The Bishop Fenwick Girls' Soccer Team ended a successful season with a record of 15-1-2. The girls won the Catholic Central League title which enabled them to compete in the tournament. The team was led by tri-captains Renee Amara, Alicia Bradley, Jennifer Suerker, and Coach Lisa McIntyre. Also playing this season were seniors Shannon Dwyer, Amanda Flood, Kathleen Gannon, Jennifer VonHandorf, and Jackie Walsh. The Girls' Soccer Team enjoyed a successful and rewarding season.

The Bishop Fenwick Boys' Soccer team stunned the league this year by clinching second place in the Catholic Central League. Led by seniors Harry Wallus, Brian Murphy, John Cuniff, Shane Kendall and coaches John Izzo and Jack Cunha, the team finished with an impressive 13-4-1 record. Speed Racer

Once again the Bishop Fenwick Girls' Cross Country Team has dominated the Catholic Central League. Coached by Jack Farley and Steve Sutera, the girls accomplished what they set out to do; win the Catholic Central League Title, as well as the League Meet. Tri-captains Jen Scola, Kerry Wynne, and Kerri Timmins led the team in a successful season with a lot of hard work and positive leadership. The team showed its strength and determination in every competition, and no other opponent came close to defeating this talented team. With an over all record of 7-1, the runners headed to the season finale at Franklin Park. To no surprise the team led the pack in the Varsity and Freshman/Sophomore league meets, capturing both league titles and the outstanding performer award. The top ten runners competed in the state class competition where they placed eight in Division two. Although the team as a whole did not qualify for the All-State Meet, senior Amanda Rich qualified as an individual. Overall, the Girls' Cross Country Team enjoyed a rewarding season and next year looks equally promising.

X-MEN

Champions

After a brief loss to Masconomet, the Crusaders took control of the Catholic Central League by defeating all the competition. With a one point win over Archbishop Williams, then a big win over Matignon, and three more wins over Cathedral, Arlington Catholic, and Marian, Coach Jack Farley's team could see the championship in the distance; and that distance was getting shorter by the day. Then after a 21 point win over Savio Prep. And that Tuesday afternoon Austin Prep. arrived as co-champions and left holding second place. Its due to some superb leadership and running by Captains Steve Lowe, Ted Zito, and Chris Lang. Adding to that Coach Jack Farley's years of experience and new to the Cross Country team but a veteran of Track, Coach Steve Sutera, what else could there be but a championship team!

On that Tuesday afternoon when Austin went down so to did Fenwick's home course record that Steve himself set just three weeks earlier, Steve re-set the record to 14:06, six seconds better than the one he set earlier.

At the League Meet the Crusaders took second, falling short to Williams. Steve won the meet and the MVP honor for his third and final time. Following Steve and earning CCL All-Star rights were Capt. Chris Lang and Freshman Matt Stone by placing in the top ten.

Award recipients from the team's annual awards banquet were: Matt Stone — Underclassman Award; David Paul — Most Improved; Chris Lang — Unsung Hero; Michael Marini — Coaches' Award; Steve Lowe — MVP. And receiving the team's most prestigious "Team Award" is Ted Zito.

Next year Coaches Farley and Sutera will be short 13 runners due to graduation — Steve Lowe, Ted Zito, Chris Lang, Shawn Ayube, Kraig Bloom, Michael Marini, Mark Mangiardo, Ryan Morley, Brian L'Heureux, Jarrod LeBlanc, Rob Lambert, Ralph Juffre, and Michael Kane — but with a dozen talented Juniors and Sophomores along with Freshman wonder Matt Stone under the fine leadership of Co-Captains Matthew Farley and Josh Lynch, they'll have no trouble keeping the title at its home, Bishop Fenwick.

The Bishop Fenwick Varsity Volleyball Team played hard during their 1994 season. Led by captains Lisa Mannix, Michelle Gately, and Michelle Corey, the team finished the season 7-13. This record doesn't accurately reflect the abilities of the girls as a team. Plagued by injuries throughout the season, the team still managed to give 100% effort each game. The highlight of the '94 season was the game against Archbishop Williams and the team played as they had never played before, amazing. Nine seniors played their 1st season this year: Lyn Ellen Gaudreault, Lisa Mannix, Michelle Gately, Michelle Corey, Stephanie Blaszewicz, Deanna Smiddy, Lisa Booras, Christina O'Keefe and Rachel Durkin.

NBA Inside Stuff

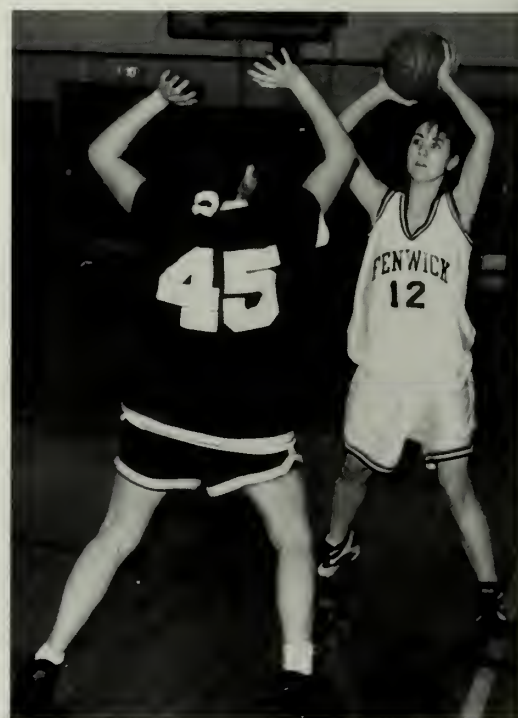

The Bishop Fenwick Girls Basketball team overcame serious obstacles during their successful season. With the return of only two seniors the team was made up of numerous underclassmen. Under the guidance of Coach Usalis and captains Krissy Diachisin and Lyn DiFlumeri, the girls enjoyed a rewarding and productive season. With many underclassmen returning next year, the girls should have an even better season.

This year the Basketball Cheerleading Team was led by captains Susan Ogren, Michelle Corey, and Mary Donahue along with fellow seniors Deanna Smiddy and Jen McManus. Having limited practicing space, the cheerleaders worked together as a team to put together great routines, for their half-time as well as for their competitions. A major reason for the success of the hockey team is undoubtedly due to the Hockey Cheerleaders. Led by co-captains Kacie Serino, Carolyn Ragone and Coach Judith Juffre, the team is there to cheer on the hockey team at every game. Also leading the squad are seniors Alison Fay, Kelly Reardon, and Shannon McMahon. The team has had a successful and productive season.

The Bishop Fenwick Hockey Team enjoyed another successful season celebrating the 25th Anniversary of Fenwick's Hockey History; under the leadership of Coach Robert Tierney and captains Mike Rooney, Ralph Juffre, and Deric Polles. Along with seniors Bill Aldred, Mike Gates, Scott Ryan, and Mike Boccuzzi, the team was certainly a formidable opponent with the Best record in Fenwick's hockey history, W 17 — L 3 — T 0. The team also qualified for the Massachusetts State Hockey Tournament which was very special to the players, coaching staff and their fans since it has not occurred in 15 years. With many underclassmen returning next season, the hockey team should have an even better season next year.

Northern Exposure

This year the girl's ski team increased its number of wins by 100%. While this meant only winning two races there were many close calls and lots of smiles. Being Fenwick's quietest and unwinningest team does not provide the girls with many luxuries — no one is soon to forget the long rides to Bradford in Mr. Cunniff's van with the door flying open at high speeds. But fun was had by all. Danielle Poulin, Julie Waldo, and Katie Churchill all skied in the Bay State Games at Jiminy Peak. Eight of the girls, Caitlin O'Brien, Julie Boyle, Julie Waldo, Katie Churchill, Amy Potvin, Jodie Carloti, Danielle Poulin, and Jessica McKenzie skied in the Interscholastic meet at the end of the season. Wings

The 1994-1995 Girls' Indoor Track Team upset the entire league by competing as well as they did last year, losing to only one team and ending with a 10-1 record. Although they were unable to hold their title as Dual County League Champs, they did capture second place. They also competed well at the Varsity and JV league championships. This year they had more girls qualify for the State Championships than ever before. This Year's team was led by Coach Jack Farley, Coach Anthony "Spike" Juliano, Coach Steve Sutera, and captains Liz Feldman, Kathleen Gannon, Jennifer Sverker, Amanda Rich, and Kerry Wynne. Congratulations to Amy Blais for setting a new school record for the high jump, 5'1", to Erin Girard for taking second place in the State Meet in the hurdles, and to Amanda Rich, and Kerry Wynne. Congratulations to Amy Blais for setting a new school record in the high jump, 5'1", to Erin Girard for taking second place in the State Meet in the hurdles, and to Amanda Rich for her undefeated season. Time Trax

The 1994-1995 Boys' Indoor Track Team had a stronger season than their 3-5-1 record might suggest. Three meets were held close all the way to the relay. Tri-captains Steve Lowe, Ted Zito, and Kraig Bloom provided leadership for the team, and under coaches Jack Farley, Steve Sutera, and Anthony "Spike" Juliano, the team lost its image as an "easy win" in the Dual County League.

Steve Lowe repeated as the DCC champion in the two-mile, going undefeated in the meets and winning in the league meet. In their first season of Indoor Track, Jason Urbanski and Chris Lang were among the league's best in the shot put and the 1000. Rickey Savickey, also in his first Indoor Track season, broke the school record in the 40-yard-dash, running it in 4.88 seconds, and became a member of the mile relay team, along with Lowe, Lang, and sophomore Drew Hosman. Lowe, Urbanski, Lang, and Savickey all went on to the State Meet.

A group of talented underclassmen in almost every area brings potential for another strong season next year.

Quantum Leap

This year the gymnastics team finished with another successful season. They were undefeated in the Greater Boston League and suffered one close loss out of their league. Led by tri-captains Elaine Keith, Elyse Keith, and Maureen Nowlan the gymnasts came close to qualifying for the state sectionals meet.

A key to the team's wins was the depth of its members. Two standouts of the team Elaine and Elyse Keith both qualified for the state meet. At the individual league meet Elyse won the all-around followed closely by Elaine who placed second. But no team can achieve success with only two members. Junior Amy Jodoin, senior Becky Kanellos, sophomore Erica Fiorente, and freshman Jessica Hammel provided important scores for the team all-around.

Although this year started out slowly due to the injuries of two gymnasts; nevertheless, the team remained strong and accomplished a winning season. The remaining gymnasts hope to continue this winning streak through next year.

Fenwick Entertainment Network

The airways of the Fenwick Entertainment Channel are constantly broadcasting the activities of the Fenwick students. From student council to yearbook there is something for everyone. For the students who wish to increase their knowledge there is math team and science league. For the socialite there are dances and class trips. The socially conscious students enjoy participating in clubs such as the outreach committee, Amnesty International, and the environmental club; all of which are involved with the community. All of these activities and more help to bring the Fenwick family closer together and help to broaden the student's horizons.

The Fenwick Student Council is the largest student organization at Bishop Fenwick High School. The Council makes decisions that not only affect them, but that affect the entire student body. And with advisor Mr. Stephen Czamecki the decisions are sure to benefit the students as well as the faculty. Within the Council there are different offices, which are held by responsible people; first of all there is President Erin Hourihan, Secretary-Treasurer Lisa Mannix, and two SAC (Student Activities Council) representatives Amanda Rich and Maureen Nowlan. There are also three volunteer committees and four sets of homeroom representatives that make up the rest of the Council.

What does the Council do? Well, the Council not only provides us with leadership, but they break up the monotony of school life. Some good examples are the Pep Rally, Pumpkin Carving, and the Bonfire. The Council also coordinates field trips and a various number of student events. When the SAC representatives attend meetings with other reps from the area, they bring back creative ideas about student activities for the rest of the Council to consider. However the Presidents and Vice-Presidents in each class specialize in what that class is going to do.

The goal of the Student Council is to increase communication between the students and the administration; to find that common ground where all can benefit. With everyone's participation, and cooperation the Student Council at Bishop Fenwick High School will be something to remember.

Saturday Night Live

There are many different ways for a student at Fenwick to become involved in the school community. Fenwick offers various committees and clubs due to tremendous student interests. Whether you want to plan a dance, help the unfortunate, save the planet, or see a play, there is a place for you.

For example, if your expertise lies in dancing, decorating, and partying the night away, then perhaps the Social Committee is for you. This committee meets on a regular basis to organize dances. They are responsible for posters, decorations, ticket sales, and music for each dance. This year's chairpersons, Jennifer Scola, Rebecca Waggett, Carolyn Ragone, and the entire Social Committee successfully planned three dances; selling more tickets and raising more money than ever. From the ghoulish Halloween Dance and haunted house, to the merriment of the Christmas Cotillion, the Social Committee set the stage for a fun time and a lot of good memories.

If your interest lies in the sporting life, then maybe the athletic committee is for you. This committee aims to create school spirit, and support for all the Fenwick sports. This year under the guidance of Scott Sutera, Jeanna Neale, and Kraig Bloom, the Athletic Committee raised the level of school spirit. This committee planned the second annual bonfire to honor all of the fall sport teams and captains, and also the '94 pep rally, which consisted of skits, music, and tremendous school spirit. Along with this spirit came competition as the entire school competed for the "School Spirit Award." After a week of decorating the caf, practicing skits and waiting for the big day to arrive, the results came in — the seniors proving to hold the most spirit.

If you wish to help others in need, then the Outreach Committee is for you. Under the guidance of Marie Haines, Renee Amara, and Erin Lynch, the committee reaches out to many people. This year alone, Outreach sang at the Sunrise Retirement Community, collected canned goods, money, and turkeys for the less fortunate, and coordinated several programs such as Adopt-A-Child, where students provide Christmas gifts for those who are in need. Outreach also aided in local organizations such as Haven From Hunger and Catholic Charities. Under the invaluable guidance of Sister Lisette, The Outreach Committee brought smiles to many unhappy faces, and has made this world a little brighter.

The Cultural Committee has re-emerged this year after its two year dormancy. Under advisor, Stephen Czamecki, who's always willing to undertake another responsibility, the committee organizes outings to museums, theaters, restaurants, etc. for the culturally adventurous.

Hold on! This group of Fenwick students try to stay together at the leadership retreat.

Masterpiece Theater

The Fenwick Drama Club presents one spring musical each year. Every Fenwick production is a tribute to the professionalism of the Drama Club, its dedicated members, and the director of many years, Mr. Robert Sousa. The Drama Club offers opportunities to many students to become involved in the musical. The Club goes deeper than cast Members; the light and sound crew, make-up crew, stage hands, publicity, and ushers are all an important part of each production. For weeks, students labor for hours each night; learning lines, practicing songs, and constructing the set. The applause after each performance is always well deserved.

Captain Planet

The spirit of the earth is alive at Fenwick! The dedicated members of the environmental club have been hard at work this year trying to change our school environment for the better. Led by President Kelly Fouhey and Vice President Kathy Pierce, the group has sought to increase environmental awareness and action throughout the student body. Still, all work and no play does not apply to this troop. What good would it be to preserve an environment that you could not enjoy? With this in mind, the environmental club gets right out there to do just that! Mountain climbing, skiing, and rafting are just a few of the activities run by the club that made 94-95 a memorable year. We've shared a lot of smiles while working for a great cause and plan to accomplish even more in the future.

Love Connection

The Outreach Committee, advised by Sister Lisette, and closely related to Campus Ministry, is actively involved in the community. The Outreach Committee is headed by seniors, Marie Hanes, Renee Amara, and Erin Lynch. Activities so far this year include the visit to the Sunrise Retirement Community at Christmas time, where both students and residents sang Christmas carols, and then enjoyed a snack of cookies and eggnog. Also during the Christmas season, the Adopt-A-Child program where any Fenwick student could volunteer to give a child a gift, in the hopes that "Santa" would remember them at Christmas. Outreach goes to Haven from Hunger on more than one occasion, to help out. They are also responsible for many food drives throughout the year. Fenwick gives support in the form of turkeys and canned goods at Thanksgiving, and peanut butter and jelly during the springtime.

By doing all of this the Outreach Committee reaches its goal of helping people who need it, and, in their own way making the world a better place.

Heart and Soul

Spirit Week is one of the best weeks at Fenwick. It is during this week that the student body really comes together. Everybody is excited and full of school spirit. With activities as, decorating the cafeteria, pumpkin carving, and the pep rally, Fenwick students really have a chance to come together. However there is competition among the four grades. Each of them try to out do the other by coming up with the best wall, and the best skit. But the real competition is in the auditorium where each class tries to be the loudest. Whether its cheering on our football players or our cheerleaders, or even our class, there is a spirit there no one can break.

Mathnet

The Fenwick math team competes with other schools around Northeastern Massachusetts in monthly meets where students answer questions in categories such as Analytical Geometry and Algebra One. Under the leadership of Mrs. Varoudakis, who oversees the practices and also travels with the team, the math team enjoys much success.

Supplementary to the traveling math competitions, Mrs. Russo supervises in-school math meets. At these meets Fenwick students work on a sheet of various math problems. The challenge is to answer as many problems as possible in a given amount of time.

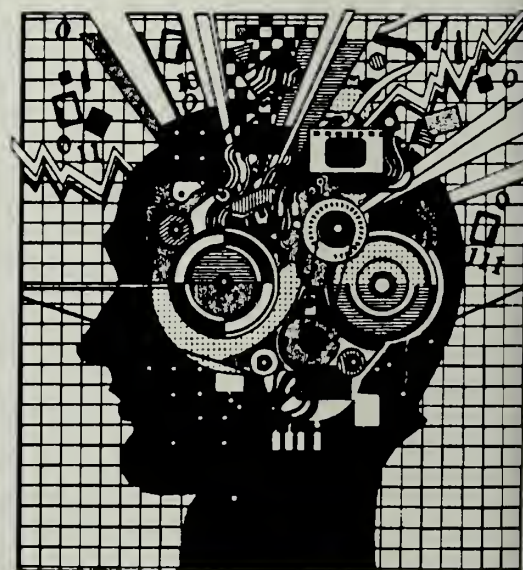

Both of the math teams provide a way for Fenwick students to further their math knowledge in a competitive atmosphere.

The Science League travels to schools from all over the North Shore to participate in meets. At these meets students compete in events ranging from Tree Identification to Lab Skills. Under the advisement of Mrs. Brigante, Ms. Bynes, and Mrs. Comeau, the Science League promotes the enjoyment that is part of applying scientific knowledge.

Inside Edition

This year, the yearbook staff experienced a frightening problem, there were only three veteran editors returning from last year; the rest were inexperienced. And to add insult to injury, the editors were without an advisor for nearly two months. All of the leadership and final proofreading was left to Editor-in-Chief, Chris Ialuna. Despite these major setbacks it all came together and we were able to produce a yearbook that will be remembered for years to come.

After weeks of discussion, the theme of television was decided on and work began. Jennifer Scola, in her first year with the yearbook, assumed the position of Assistant Editor-in-Chief. She wrote articles, organized, and assisted in anything that was in need of completion. Literary Editor Julie Waldo demonstrated all of her creative writing ability while writing divider page articles and improving others. As Layout Editors, Jeff Zia and Annemarie Hanrahan worked countless hours drawing layouts for each and every page. Senior Section Editor Tara Catanzano and Assistant Senior Editor Joy Snow accomplished something that has not been done in five years; every senior portrait is in this yearbook. Academic Editor Shannon Coombs focused on each of the departments and put together all of the teacher quotes. Patricia Romano's work centered on the clubs at Fenwick; as Activities Editor she assigned articles on each and every one. Danielle Carter and assistant Kelly Hourihan headed the Sports Section by identifying every sports team member. Kelly Suoboda, who headed the Underclassmen Section, identified every Freshman, Sophomore, Junior and Senior, who appeared on any of the pages.

This yearbook would never have been completed without the outstanding work of Photography Editors Tracy Conway and Gretchen Carpenter who snapped pictures at any event that came about. Melyssa Chan was also responsible for pictures, but those of a different kind, in her role as Art Editor. Melyssa did an outstanding job coordinating her section with help from her staff members who demonstrated their artistic ability throughout the yearbook.

Megan Gomes and Nicole Gianturco served as the Business Editors. Their job focused on all of the advertisements you see at the end of this book. Finally, Dan Paciulan . . . well, he was the stress reliever who would slap you five if you completed a page or would flip his hair for a laugh. He was given the title of Miscellaneous Editor, but he primarily assisted in layout drawings and pictures placing.

The yearbook staff would like to thank any teacher who proofread articles. A few teachers to single out are our yearbook advisor Mrs. Brenda Hallinan, Mr. Keith Phelan with his design tips, Mrs. Catherine Glencross for the countless afternoons in the typing room, and of course, Guy Garon, our publishing representative.

The 1994-1995 school-year was filled with events that shaped our classes and our lives. Television and the media have entered everything... from the classroom to the courtroom. While the rest of the yearbook seeks to enshrine high school in our minds forever, the next few pages display the highlights of the year outside Fenwick. Although you would probably never forget them, we have preserved the OT Simpson Trial, the California floods, the Japan earthquake, Hillary and Bill, the Kennedy clan, and all of 1994-1995's triumphs and tragedies. Despite the influx of the media into our lives we all know that there is more to life than TV, so in hopes that maybe you'll turn off the TV for a while, we have included the work of the newest, up and coming poets; your classmates. They all have talent that far exceeds that of even the best TV sit-com writer. For a final bit of reminiscing we have included your baby pictures (never thought you'd see those again, did you?).

These pages hope to bring back memories of a time gone by, and just like a rerun of your favorite show, make you smile...

The Real World

AIDS. A scary topic, especially for someone only in his twenties. How would you feel to be told at such a young age that your life was soon to end? I know what I'd do, I'd cry. But some people are strong and can get past the crying and try to do something about it. Pedro Zamora contracted the HIV virus through unprotected sex in his late teens. He died at age 22, a victim of AIDS.

But this isn't about death, it's about life. Pedro's life was spent educating the public about a disease that is reaching epidemic proportions. You probably saw him on MTV's "The Real World" where he, an HIV positive homosexual, lived amongst seven young people. Of all the lessons that Pedro taught, his most important was one that wasn't vocalized. Pedro showed the world that an HIV positive man can live in society, and be in close contact with other people, without being a public health hazard. Pedro showed us that people with HIV and then AIDS are just that — people. People who love and hate, people just like the rest of us. Pedro was strong in living. He lectured at high schools, testified before Congress, was a member of the AIDS Action Council, a lobbying group for AIDS legislation, research, and funding. Pedro reached hundreds of people with a simple message, this does not have to be you but if it is, never let anyone make you think you are any less of a person.

Pedro Zamora may have died but his message lives on, and until we can completely understand the disease and accept those that have it, his message can't die.

Poet's Corner

We'll Always Remember

We'll always remember the faces
The smiles bordering on tears,
Eyes as lively as the stars at night
As the lazy day draws near.

We'll always remember the laughter
The gleam that showed all around
Carefree spirits forever rising
Not knowing for where they are bound

We'll always remember the fun times
Although the bad times we can't deny
But never did we think there would be a day
That we would look back at the joys and
cry.

— Amanda Flood

People go and people stay
true friends never go astray.

Be a friend to yourself and others will
do the same.
Give yourself some credit and receive
inner fame.

Support from outside can only begin
when you support yourself from within

Be true to yourself, the best you, you
can be
Strength from within will show easily.

Act as a model of confidence,
encourage others to be strong.
They will follow, you had it in you all
along.

— Kristin Rillouick

We do not wait for poems,
poems wait for us.
They hide in the shadows,
waiting for you to realize they're there.
I think our souls make them up,
sometimes deep in the night.
When only our feelings and dreams roam
our minds.
They whisper to our hearts things we dare
not recognize ourselves.
Then, when we do recognize them,
in the shadows of our minds,
they grab us with such intensity as to
make us cry out.
With horror, with pain, with grief and ever
love beyond a care.
They reach and cry out to us to make us
let go.
And when our feelings have subsided
and our words are on paper for others.
Only then do our pens sleep.

— Margaret Farmer

Silence

Calmness approaches
to numb the wound
I can't hold on
I can't let go
Black emptiness echoes
where sunny memories
once resounded
and should be
Salty water fills the hole
drowns my thoughts
steals my soul
Time to move on
anxiety clutches me
but I have learned
I AM STRONG
I LEAVE

— Nicole Gianturco

whispering shadows ache the summer moon
honey shines like sweating diamonds beneath the
rusting sun
orbiting away from the luscious petals the rain cools
pounding roses
true love recalls bitter gardens smeared with sordid men
languid drunks produce a repulsive moment but mother
only sings like a chanting

wind of winter
never crush chains on a spring lake in a black storm
water so misty like sweet dreams boiling deliciously
a beautiful goddess soars a purple forest playing
delicate music like a flood

of white milk
blood is powerful language moaning through wax
death
mad puppies live though always scarem frantically
friends lick juicy peaches and meat with their smooth
tongues
my head pictures pleasing visions needful to life
love is an enormous gift essential to men and women.

— Whitney Fox

A Dream

A dream is like a movie,
except there is no script.

A dream is like a story,
except there is no myth.

A dream will make you
happy as it goes on.
And a dream will lead you to
where you belong!

— Erica Phillips

Friendship

In this room, sit many children
One seat is unfilled
A child has been destroyed

Many times, seen it, have I?
Dozens before this one
Although the pain hurts more, and lingers
longer

Yes, the pain of a child gone, hurts
For if you only knew,
This child was more than just a friend.

The bell tolls, the class scatters by
I turn, a faded shadow awaits in the empty
chair
I cried long and hard
My best friend has returned.

— David Ouellette

Without You

I stare at your picture
But now, you are just a far off dream.
I awake now to strange faces
Faces of those who do not love me
Faces that isolate me in my world of pain.

I hear your voice
echoing in my head
but you are hard to hear,
and each day your voice grows more
distant,
and I began to question more and more
the happiness that you gave me.

It seemed too good to be true.

And now the dream is over
the nightmare begins again
I must pick up my heart
I must keep searching
and carrying on . . .

Without you

And now a word from our sponsors. Who are they, you ask? They are the families, friends, and local businesses that provide Fenwick with the support it needs to survive. The yearbook staff would like to thank them all for providing the funding and support necessary for producing this yearbook. We would also like to thank all the Fenwick faculty and staff for the help they provided along the way. A special thanks goes to Mrs. Brenda Hallinan for being our advisor and to Sister Joseph Leo for handling the yearbook finances. All the help from everyone is greatly appreciated.

Jen "95"

For the past four years (in the blink of an eye) we watched you grow from a little girl. You developed and flourished into a beautiful young woman (how swiftly time passes). During that time your accomplishments far exceeded our highest expectations. And now as you go out to face the world always remember that happiness and success follow many paths. Life's challenge to you is to find these roads and in your quest for this search always remember you possess the God-given traits of character, dedication, stamina, and the ability to love that have brought you this point. As you enter into a new beginning and start your journey to the future, never forget who you are and where you came from. With this in mind go forth and live a wonderful life asking His blessings and His help but knowing that here on earth God's work must truly be your own.

We love and Cherish you and are so very, very proud of you. Congratulations!
